### 73%

Feel more productive while working

2

### 71%

Reports that they manage time better

*"Shared office space is the quickest and most cost-efficient way to achieve a professional office presence. And I like that when clients come in for meetings, they see that the office space is dedicated to the practice of law."*

Matthew Curro, Bankruptcy & Creditors' Rights/Business Transaction/NJ Real Estate

Are Happier

4

### 80%

Interacts with peers more

*"Having been a partner in Big Law for years and therefore surrounded by colleagues, it was very important for me to be in a similar environment. I have been very pleased with my decision to work in a shared law office setting and look forward to deepening the business and personal relationships I have formed."*

Richard Friedman, Employment Counseling/Litigation and Business Litigation

5

### 65%

Balance Work-life better

6

### 78%

Reports an increase in business network

*"With an office in a shared suite, I routinely benefit from collegiality, collaboration, resources and referrals, which I would not otherwise have as a solo."*

Peter Arcese, Estate Planning

### 86%

7

Noticed an increase in motivation

8

### 70%

Reports an increase in income

*"I think that over all, my work-life balance and happiness in general have increased since I went solo and a shared office space was the right decision."*

Irene Vaisman, Immigration
