2024 TRAVEL TIPS FOR THE BUSY ATTORNEY

As the CEO-of-Everything in your law practice, you have to carve out a break every once in a while. And, the more difficult it is for you to be reached, the better! We asked travel professional (and member of LFS's sister brand *Ripple Coworking*), Nancy Cushing of *Cushy Adventures*, for her best vacation recommendations for people who need some time to disconnect. Incidentally, we spoke to Nancy while she was on a 4-week nature photography trip to a remote area of Wyoming and received amazing insight alongside some beautiful pictures!

BEST PLACES TO UNPLUG

Antarctica and African safaris present unique opportunities to engage in extraordinary adventures while disconnecting from the routine... Wyoming boasts stunning landscapes, diverse natural marvels, and wildlife encounters, all accessible without the necessity of a passport.
